

Goal Creation_2025-26

Step 1

Manager to
create new Goal
(KRA/KPI)

Step 2

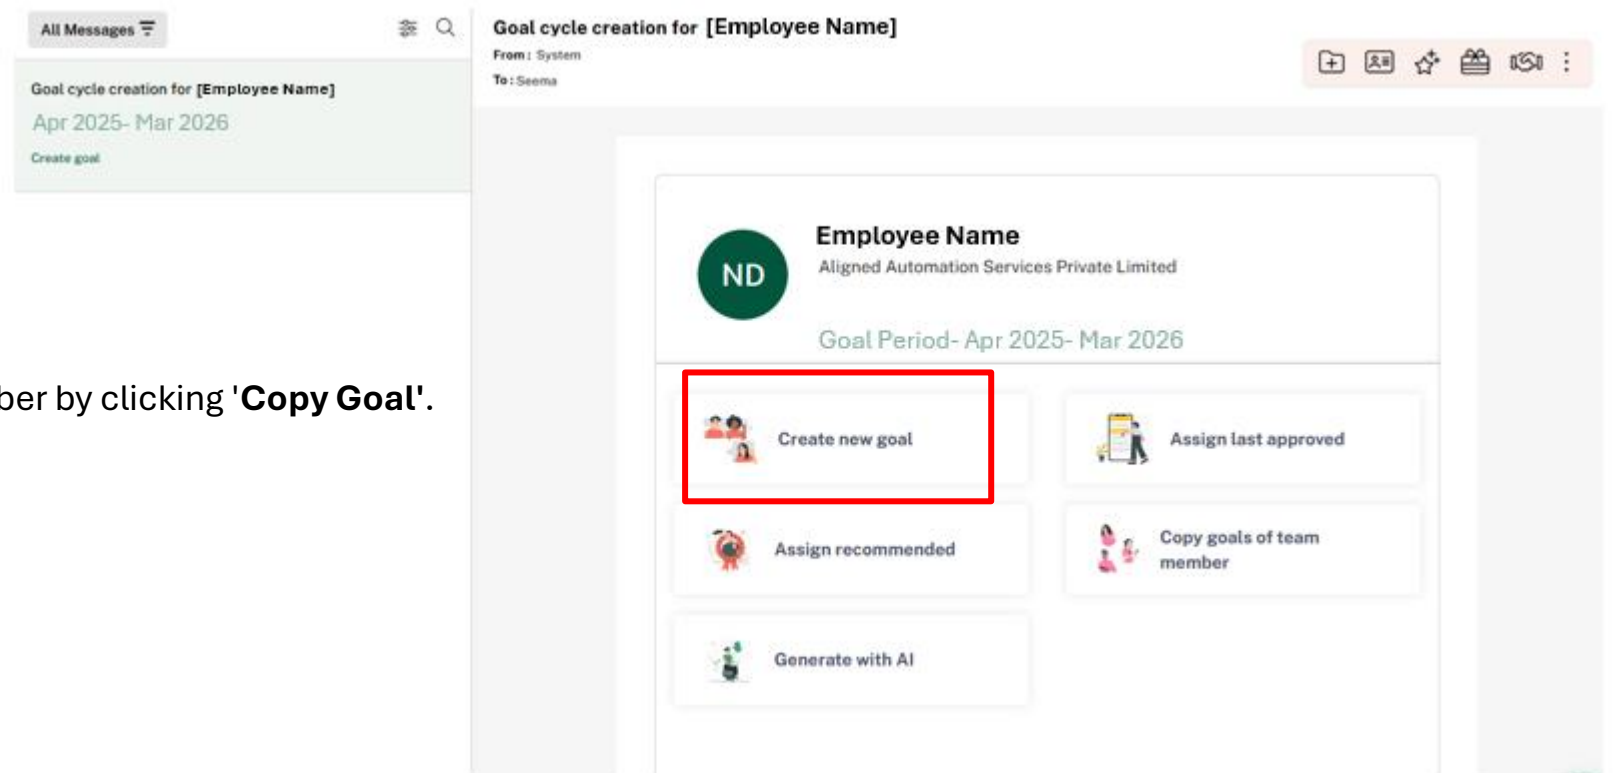

Manager to
create
Initiative

How to create new Goal

To achieve yearly KRA KPI's, managers can create goal.

Step 1: [Click on create new goal](#)

*A manager can copy goals for a team member by clicking '**Copy Goal**'.

How to create new Goal

ASSIGN FROM BANK OR CREATE NEW

KRA

Competency

Search by tag or KRA

OR

KRA*

% weightage*

KPI*

% weightage*

Perspectives*

- Customer
- External Process
- Financial
- Internal and Business Process
- Internal process
- Learning and growth

SAVE & NEW

SAVE

Step 2:

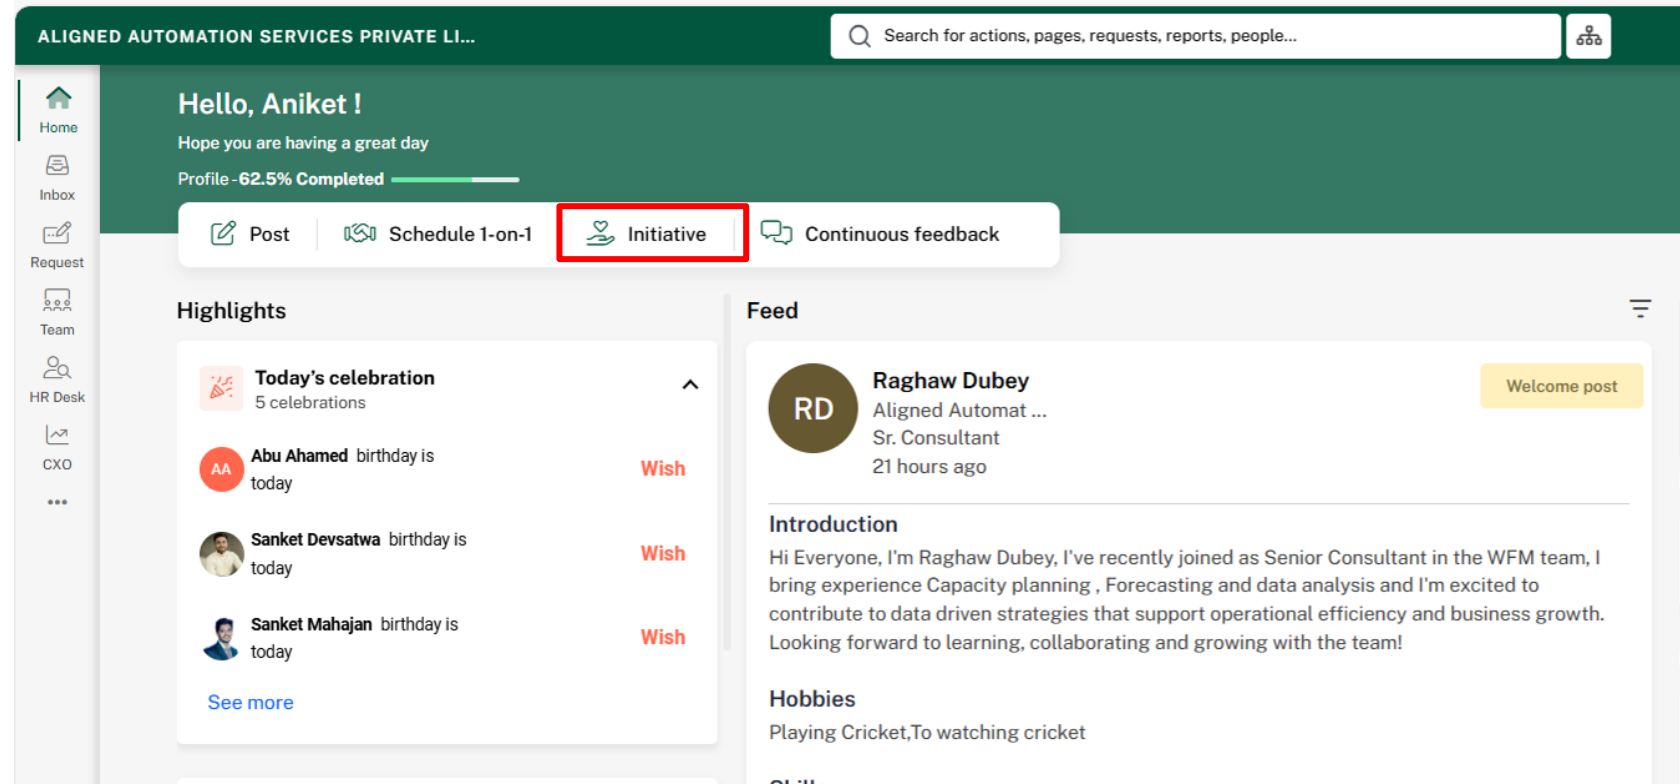

1. Select perspectives from the dropdown list
2. KRA's and KPI's need to be defined by the managers. Total sum of KRA's will be 100.
3. Click Save and new and fill in details for the next KRA's
4. KRA under all perspectives should be created.

Please note: Compliance training must be included as a KRA under the Learning and Growth perspective. Therefore, it is mandatory to have at least one KRA related to compliance training (e.g. Healthy & Safety, Fire Mock drill)

How to create Initiative

To achieve the yearly goals, managers need to set KPA and KPI for their employees.
To track progress on KRA and KPI, managers can assign and initiate tasks to their team members in the form of initiatives (which can be monitored on regular basis throughout the year).

Step 1: Click on Initiative=> Create an initiative

The screenshot displays the Aligned Automation Services Private Limited interface. The top navigation bar includes a search bar and a user profile icon. The main header area shows a greeting "Hello, Aniket!" and a progress bar for "Profile - 62.5% Completed". Below this, a row of action buttons is visible: "Post", "Schedule 1-on-1", "Initiative" (highlighted with a red box), and "Continuous feedback". The left sidebar contains navigation links for Home, Inbox, Request, Team, HR Desk, and CXO. The main content area is divided into two sections: "Highlights" and "Feed". The "Highlights" section lists "Today's celebration" (5 celebrations) and birthday reminders for "Abu Ahamed", "Sanket Devsatwa", and "Sanket Mahajan", each with a "Wish" button. The "Feed" section shows a post by "Raghaw Dubey" (Sr. Consultant) with a "Welcome post" button. Below the post, there is an "Introduction" section with a welcome message and a "Hobbies" section listing "Playing Cricket, To watching cricket".

Step 2:

1. Select an **initiative** from the dropdown list
2. **Assign the initiative** to a team member by choosing their name or Employee ID
3. After selecting the initiative, specify a task aligned with the employee's role
4. Select **Due date**
5. **Submit**

Initiative

1. *Customer*
2. *Finance*
3. *Internal and Business Process*
4. *Learning and Growth*

CREATE AN INITIATIVE

Enter an initiative*

Assign initiative to*

Initiative*

Due date*

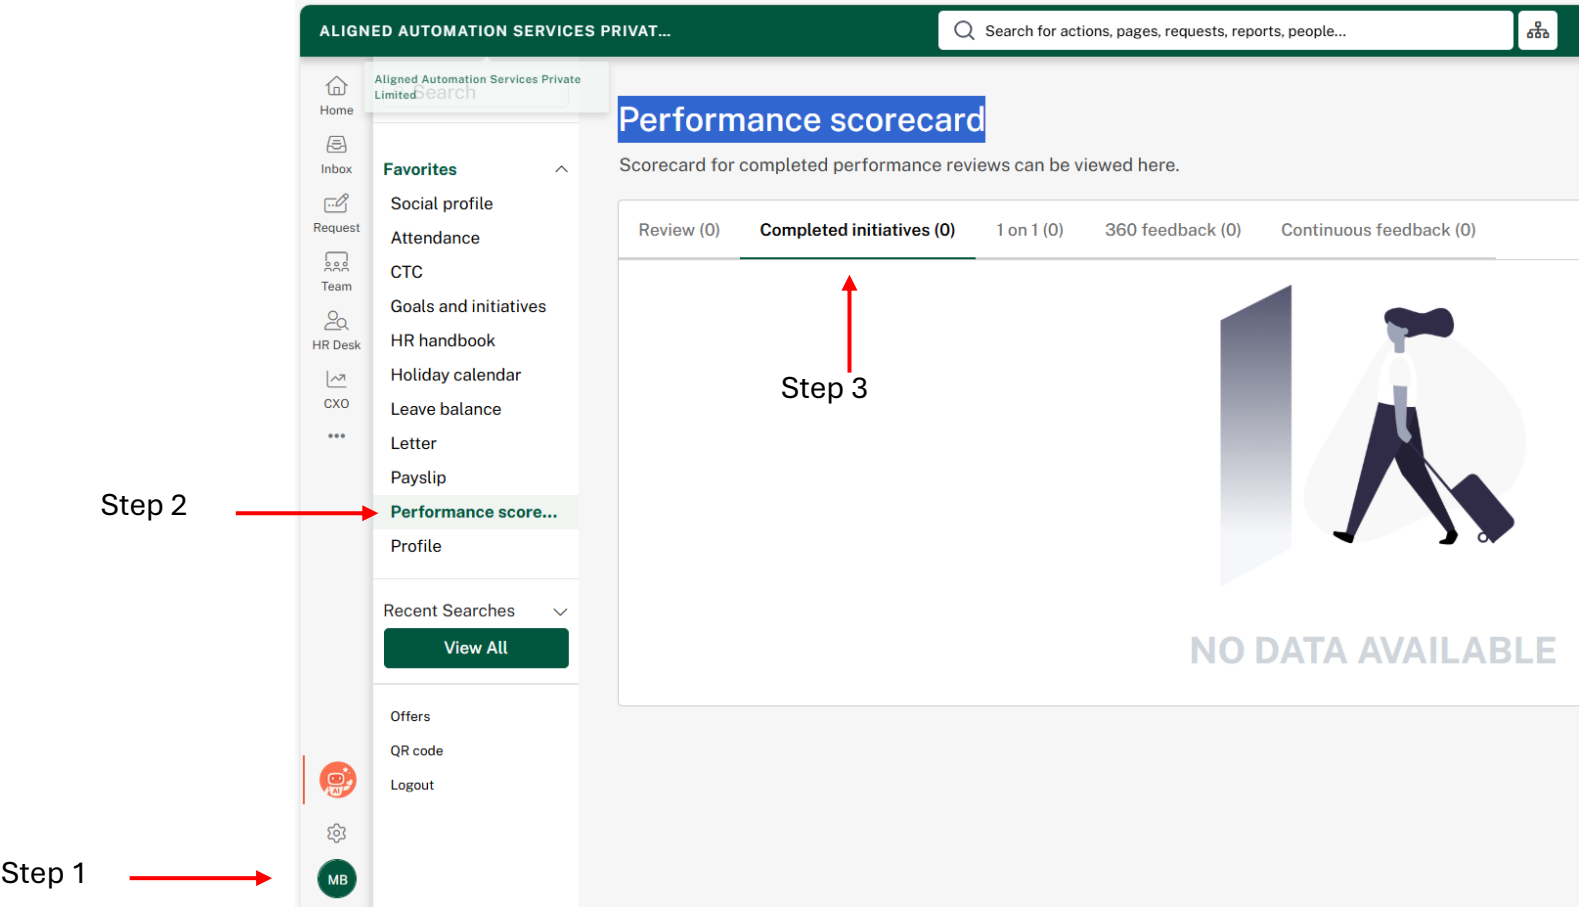

SUBMIT

Once the initiative assigned by manager, all employees will receive initiative task in **Initiatives** which can be seen on the **HROne Homepage**.

- Employees can view their completed initiatives in the Performance Scorecard section.

Profile=> Performance scorecard=> Completed initiatives

The screenshot displays the Aligned Automation Services Private Limited interface. The navigation menu on the left includes options like Home, Inbox, Request, Team, HR Desk, CXO, and a user profile icon (MB). The 'Performance scorecard' section is highlighted in the main content area, showing a scorecard for completed performance reviews. The 'Completed initiatives (0)' tab is selected, and the text 'NO DATA AVAILABLE' is displayed. Red arrows indicate the steps to reach this section: Step 1 points to the user profile icon (MB), Step 2 points to the 'Performance scorecard' option in the navigation menu, and Step 3 points to the 'Completed initiatives (0)' tab.
