The screen displays the 'Add Policy' interface for ICICI Lombard. It features three insurance product icons: Health Insurance (selected), Motor Insurance, and Travel Insurance. Below these, a toggle switch for 'Policy purchased by' is set to 'Company'. The form fields are as follows: 'Company Name' (empty), 'Employee ID' (empty), 'Employee Name' (filled with 'Roshan'), and 'Date of Birth' (filled with '31-AUG-1993'). At the bottom, there is an orange 'Add Health Policy' button and a link 'Can't add your policy? Contact Us'.

- The policy can also be added via policy number details
- If you have your policy details with you, click on “I know my policy number”
- Enter the below details for policy addition via policy number flow
 - Policy Number
 - UHID
 - DOB
 - Employee ID (Not applicable to retail policies)

The screen displays the 'Add Policy' interface for ICICI Lombard. It features three insurance product icons: Health Insurance (selected), Motor Insurance, and Travel Insurance. Below these, a toggle switch for 'Policy purchased by' is set to 'Me'. The form fields are as follows: 'Policy Number' (empty) with a link 'I dont know my Policy Number' below it, 'UHID Number' (empty), and 'Date of Birth' (filled with '31-AUG-1993'). At the bottom, there is an orange 'Add Health Policy' button and a link 'Can't add your policy? Contact Us'.

Home Page

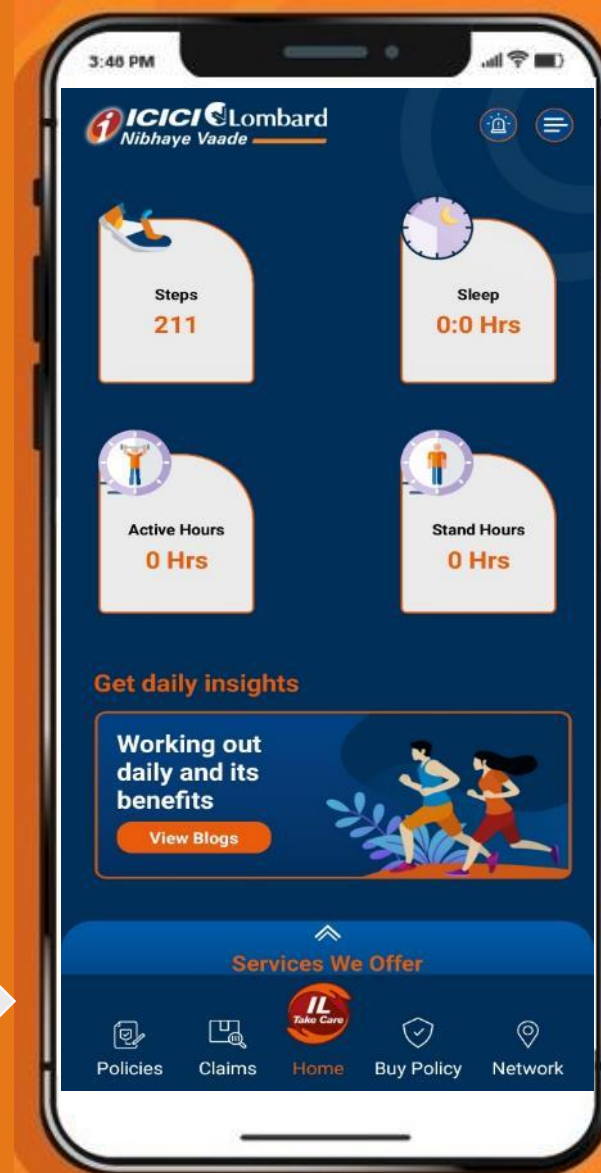

Dashboard of the app shows E-Card for Health, Motor and Travel policies with policy number, UHID number, Sum insured, Balance left and other important details

UHID number is your unique number which can be used while communicating with us.

Health Risk Assessment can also be taken from dashboard.

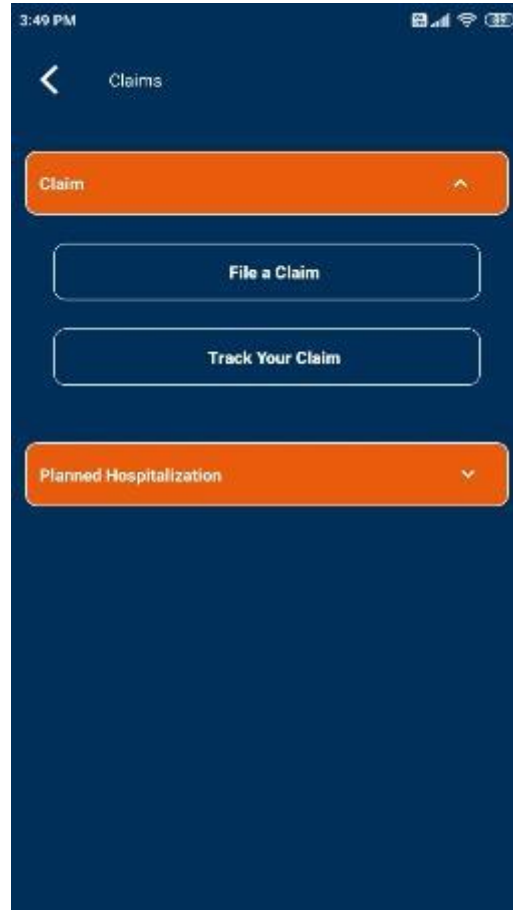

- Wellness panel can be accessed from the dashboard itself, such as
 - Step tracking
 - Sleep tracking
 - Active hours
 - Stand Hours
- Insightful Blogs can also be accessed
- Few shortcuts can be accessed from the dashboard
 - Policies
 - Claims
 - Buy Policy
 - Network for Hospitals and Garages
