

Goal Creation Process Guide- 2025-26

Steps for Performance Goal Setting

Step 1

Manager to
create Goals
(KRA/KPI)&
Competency

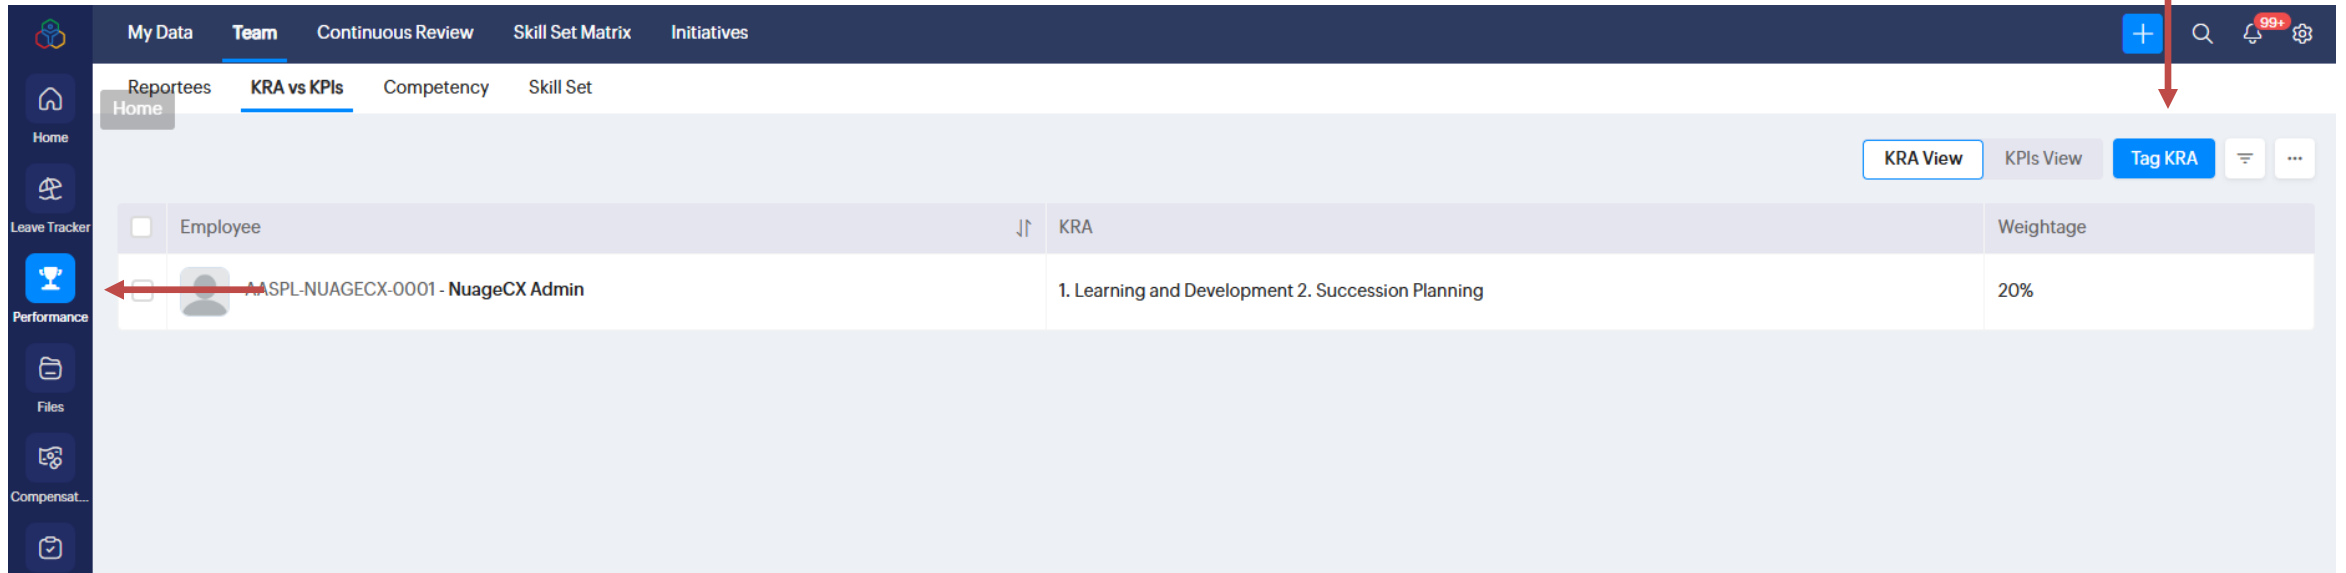

Step 2

Manager to
create
initiatives to
achieve KRA
and KPI goals

How to create KRA

To achieve yearly KRA KPI's, managers can create goal.

1. Click on Performance
2. Click on Team
3. Click on KRA vs KPIs
4. Click on Tag KRA
5. Select Team member

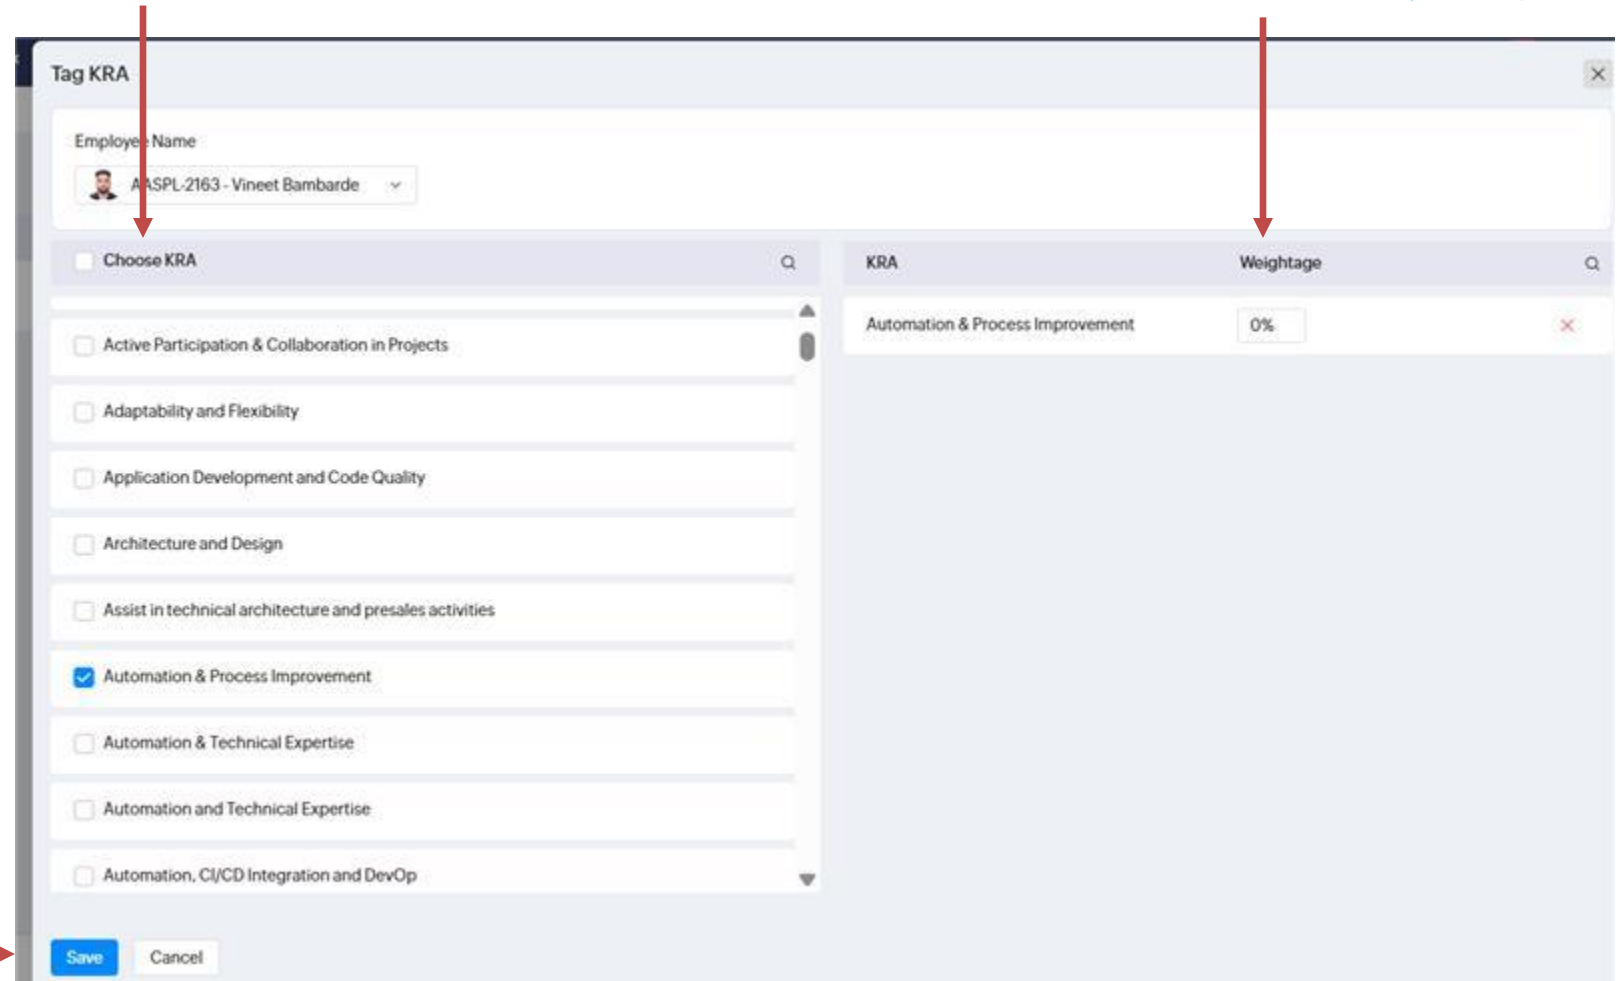

The screenshot displays the Aligned Automation interface. The top navigation bar includes 'My Data', 'Team', 'Continuous Review', 'Skill Set Matrix', and 'Initiatives'. The 'Team' tab is active, and the 'KRA vs KPIs' sub-tab is selected. The main content area shows a table with columns for 'Employee', 'KRA', and 'Weightage'. A red arrow points to the 'Tag KRA' button in the top right corner of the table area. Another red arrow points to the 'Performance' icon in the left sidebar.

Employee	KRA	Weightage
ASPL-NUAGECX-0001 - NuageCX Admin	1. Learning and Development 2. Succession Planning	20%

How to create KRA

1. Select KRA from the dropdown list
2. Add weightage (A manager can create multiple KRA. Total sum should be 100)
3. Save
4. KRA's need to be defined by the managers.
5. Total sum of KRA's will be 100.

Please note: Compliance training must be included as a KRA under the Learning and Growth perspective. Therefore, it is mandatory to have at least one KRA related to compliance training (e.g. Healthy & Safety, Fire Mock drill)

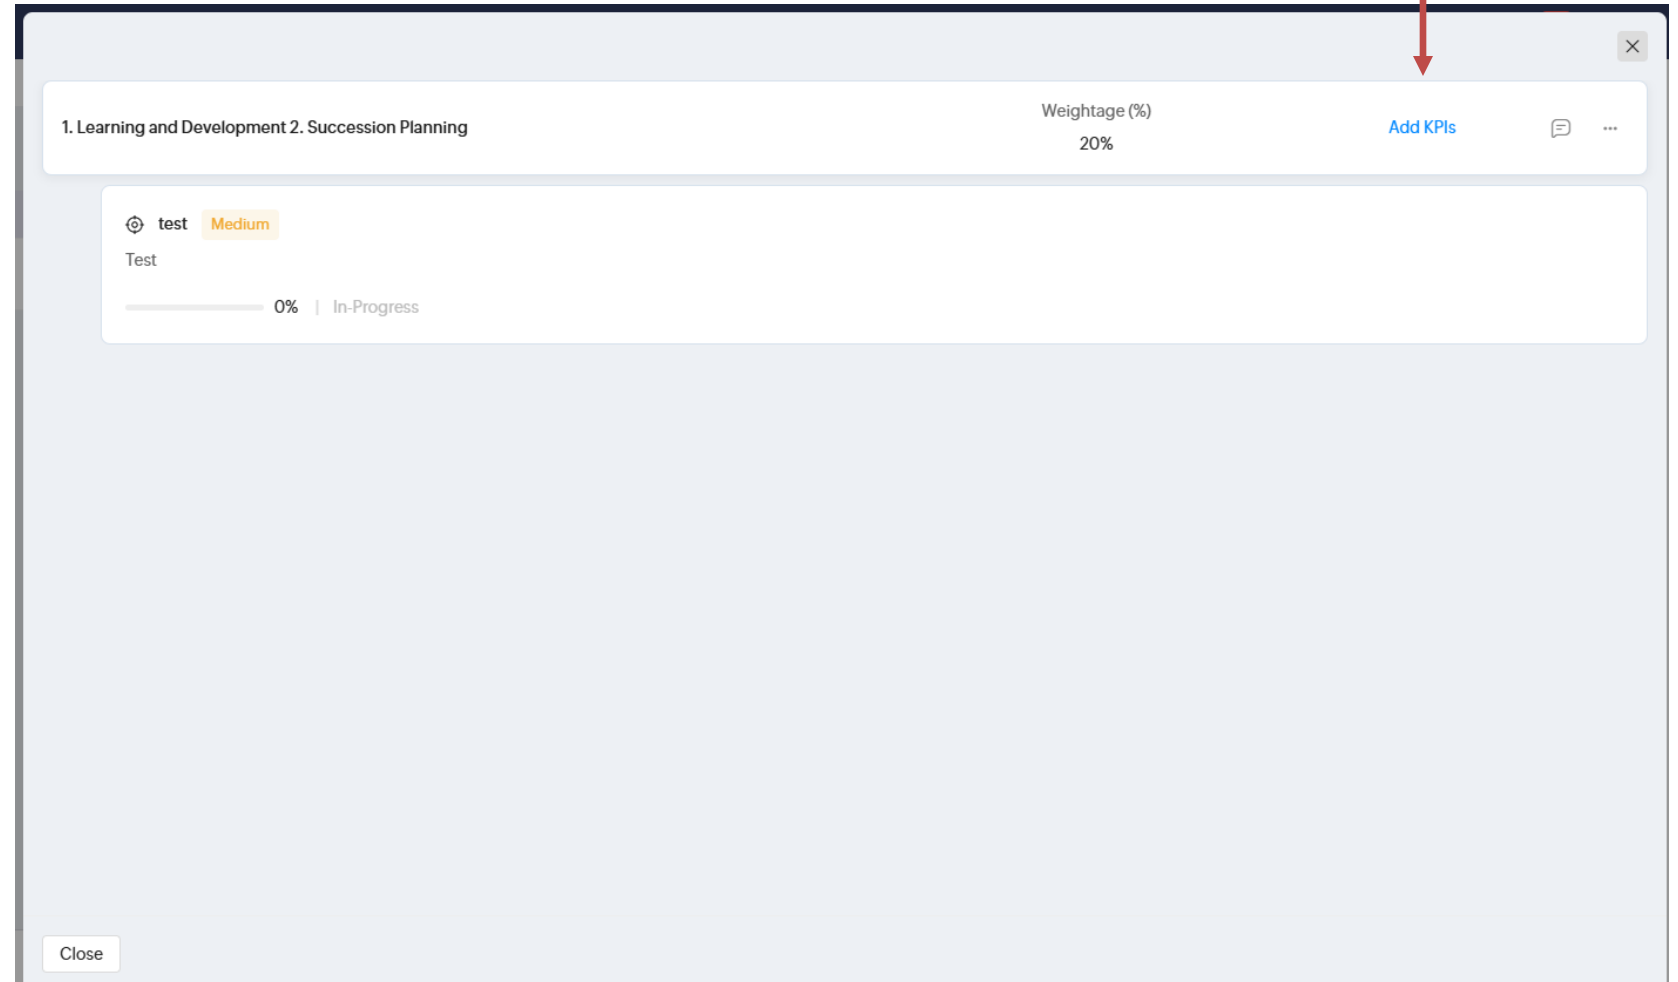

The screenshot shows the 'Tag KRA' interface. On the left, there is a list of KRAs with checkboxes. The 'Automation & Process Improvement' KRA is selected. On the right, there is a table with two columns: 'KRA' and 'Weightage'. The table contains one row with 'Automation & Process Improvement' and '0%'. Red arrows point to the 'Choose KRA' button, the 'Automation & Process Improvement' KRA, and the '0%' weightage input.

KRA	Weightage
Automation & Process Improvement	0%

How to create KPI

Once you add a KRA, create corresponding KPIs against it.

1. Click on the **KRA** you created. You will see option to **Add KPIs**
1. KPI's need to be defined by the managers.
2. A manager can create multiple KPIs under KRA. Total sum should be 100.

Select a Perspective
from the list below

Fill out KPI form

1. Select KRA
2. Add KPI name
3. Select start date
4. Select Perspectives from Drop Down list
5. Select due date
6. Select priority from Drop down list
7. Enter Description
8. Add Weightage
9. Enter Target
10. Select UOM from drop down list

How to create Competency

Competency needs to be defined by the managers. Total sum of Competency weightage should be 100

Performance=> Team=> Competency

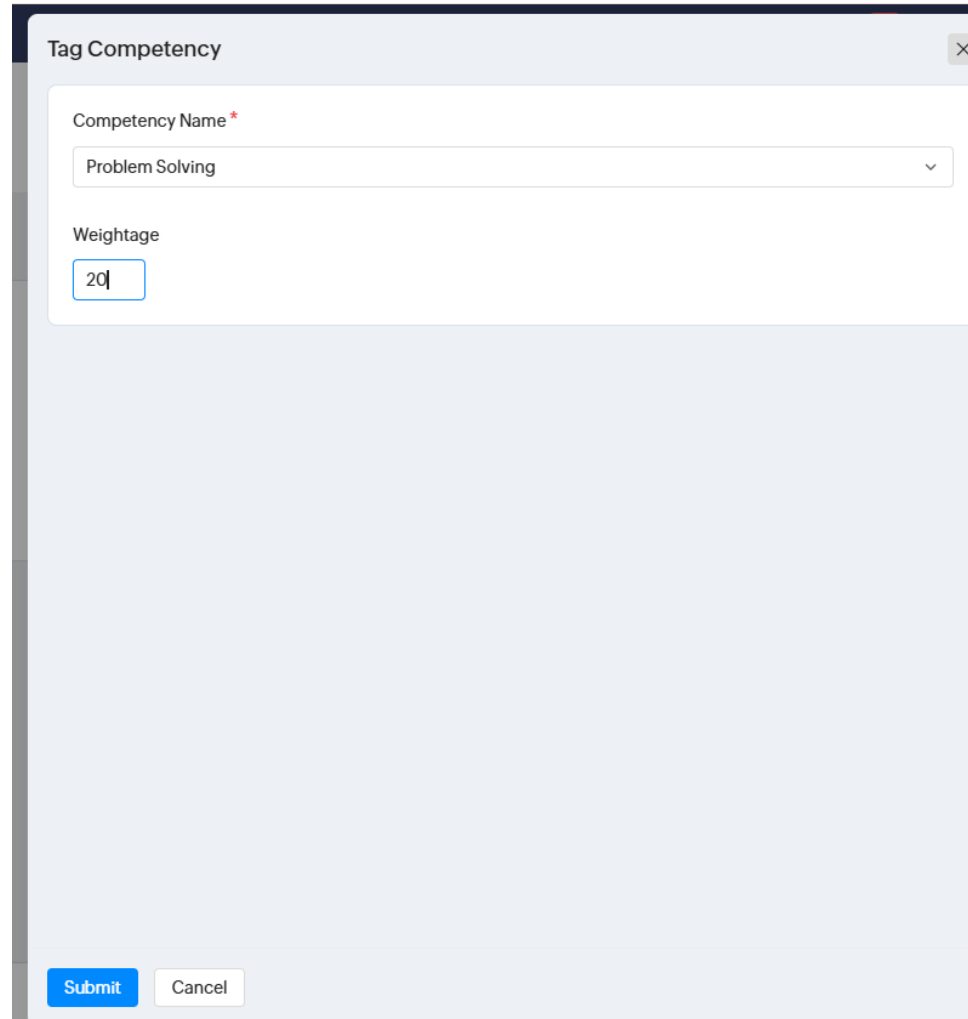

1. Select Competency
2. Select Tag Competency

1. Select Competency from drop down list
2. Add Weightage (A manager can create multiple competencies. Total sum should be 100)
3. Submit

Competency list

1. Problem Solving
2. Quality Orientation
3. Decision Making
4. Effective Communication
5. Client Management
6. Care
7. Curiosity
8. Collaboration
9. Courage

The screenshot shows a web form titled "Tag Competency" with a close button (X) in the top right corner. The form contains two main input fields: "Competency Name" with a red asterisk indicating it is required, and "Weightage". The "Competency Name" field is a dropdown menu currently showing "Problem Solving". The "Weightage" field is a text input box containing the number "20". At the bottom of the form, there are two buttons: a blue "Submit" button and a white "Cancel" button with a grey border.

How to create Initiative

Performance=> Initiative

1. Click on Initiative
2. Click on Add Record

The screenshot shows the Aligned Automation interface. At the top, there is a dark blue navigation bar with tabs: 'My Data', 'Team', 'Continuous Review', 'Skill Set Matrix', and 'Initiatives'. The 'Initiatives' tab is selected and highlighted with a red arrow. Below the navigation bar, there is a light blue header area with a dropdown menu set to 'Initiatives View' and an 'Edit' link. To the right of this header, there is a 'View All Data' link, a dropdown menu set to 'Reportees + My Data', and a prominent blue 'Add Record' button, which is also pointed to by a red arrow. Below the header, there is a table with columns: 'Added By', 'Added Time', 'Modified By', 'Modified Time', 'Enter an Initiative', 'Assign Initiative to', 'Initiative related to', and 'Due Date'. The table is currently empty.

Initiative Form filled by Manager

1. Enter an Initiative (Select initiative from given list)
2. Select team member
3. Select Initiative from Drop down list
4. Enter Due date
5. Select status from drop down
6. Save
